

**The Incredible “Supreme” Story**  
**( 4 generations in one kennel and all alive and well !!!!!!! )**

Allow me to show you how this line keeps on producing !!

About all the Lusahn bullies mentioned lives with the Lusahn family ( must be unique ) ??

Phillip – a Quest Thunder Struck son was mated to Britje (Full sister to World CH Jenny Wren – Flashpoint Inferno Daughter) . Phillip today is a 14 year old still going strong @ Lusahn and Britje left for Rainbow Bridge last year at age 10.

**And they gave us CH Lusahn Extreme Supreme**

Sasha as we call her is in Super condition and retired at Lusahn at young age of 7. Sasha is one of the most winning bullies and engraved Lusahn in the Bullie world.

Then We Took Sasha and mated her to an INT CH Grisse Basse Hanky Panky's Son called CH Lusahn Top Secret Gent or Grumpy as we called this real 40kg giant. He is age 7 and retired with Lusahn.

x

**And we got CH Lusahn Another Supreme or SUS at home – age 5 and also living with Lusahn ..**

Sus has one of the classic Bullterriers heads with the Curve , yet strong ( egg shape and deep ) and she is a smooth feminine yet powerful bitch – we are very proud of her...

**Over the last 4 years we mated Sus and she produced the following :**

1

**Mated to “Dexter” a 44 kg Grumpy Son living in Durbanville we got Emma “ Lusahn Supreme Angel  
“ . She is now 18 months**

2

**To a Inbred Einstein the Joker Boy called “Hummer” – he lives at Lusahn as well**

**Bonnie and Clyde is now 12 weeks old – hope they live up to their Supreme Names !!**

3

**From Frozen Semen ( CH Kalsar Sweet William) – he is alive and well living with Tony and Kath Kersey in the UK – he is a 18month massive boy who loves to play with older half brother Artus.**

**We think its a honor to showcase 4 generations living at the same home.**

**Line Breeding is IMPORTANT - look the puppy pics as they are the same line !!!!!**

And to keep our line going - **we imported new boy that will be used on the Another Supreme offspring – maybe Phillip can see his Generation No 5 ??**

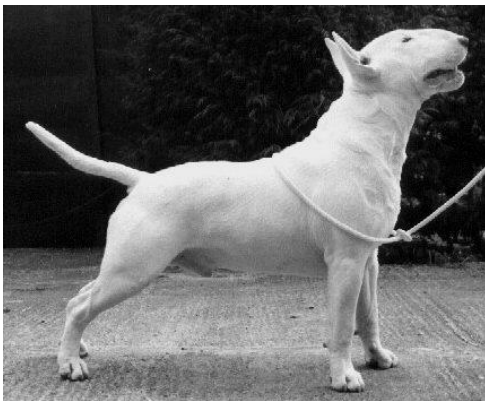

**Funske** ( short powerful and one incredible head ) – we want to use him for his bone, strong hindquarters and his entire bloodline is dominant with conformation !!

**Funske**
